

# Training for ChurchDB

A diocesan-wide database that can handle all your parish's database needs

All sacraments celebrated after July 1, 2007, for parishes in the Austin Diocese are to be recorded in ChurchDB (and no longer in sacramental books).

Please come to one of the trainings below (or check out the online training by clicking on 'churchdb' in the lower left corner at [www.austindiocese.org](http://www.austindiocese.org)) to learn how to enter sacramental records in ChurchDB.

## How can ChurchDB make your job easier?
