

Car Visor Family Discussion Guide

In our busy and fast-paced society, “car time” is one of the few times families have to be together. This small guide is intended to help you make the most of car time by providing a family prayer and conversation starters you can use with your children. Tape it to your car visor as a convenient reminder to talk and pray as a family when you are in the car together.

Prayer Before Driving:

+ God, thank you for the gift of transportation. Help us to stay safe as we journey on the roads today, and let us be good examples to others as we go out into the world. Amen.
